Re: Masonichip Foundation of Ontario

Brethren

Subsequent to our Grand Masters information circular regarding the Masonichip Incorporation there have been several enquiries, predominantly to the Masonic Foundation office, of concern regarding a takeover/replacement of one foundation by another. This is **not** the case.

The Masonic Foundation of Ontario is an Ontario registered charitable corporation, the Masonichip Foundation of Ontario is a federal registered charitable corporation. Both operate as separate and distinct entities with their own Board of Directors. Both have their own by laws and stated purposes; they should not be confused as one with the other.

Ensure lodges within your district are apprized to dispel the circulation of misinformation.

Fraternally Yours

Terence Shand
Grand Secretary
